Piaroo Presents

Miyanaga Saki

Haramura Nodoka

Two high school girls both starting Mahjong

But where does their relationship stand...

On second thought, originally
it's just a Mahjong Manhwa
you know...

How did this become a Hentai
Dough?

But internet Mahjong is really hard... I can't read the tiles well...

I wouldn't dare to try it since the club president said it's so difficult.

I'm also practicing at home on my Mahjong pad.

End

Even now you brought your Eto-Pen with you?

Y_ Yeah. I know. Let's do our best. But...

Playing Mahjong with Haramura-san is hard but fun. It's the best.

Flinch!

And also if we go to the nationals together, we'll have to do our best playing internet Mahjong.

L I know, but do your best...

Aren't they late?

Yeah it seems so...

Hey Haramura-san, it's just the two of us here~

Eh... Eh? What's this all of a sudden...

Would it be weird if I said that I liked you Haramura-san?

Yes?

What would you think?

Well... If you said you liked me it wouldn't be in that way right?

If it's as a friend, I like you too.

But it seems I like you in that way.

Oh, please excuse me but... To tell you the truth when I see you my heart skips a beat

Ha!

Haa... It seems I'm blushing too.

This hasn't happened until now.

Hello~
Nodoka~

Ah!

Why aren't you going to the club room?

Oh.. something came up.. I'll go on ahead.

Oh really?
See you

But your face was all flushed.

Were you fighting again?

I promised
Miyanaga-
san right
here...

We'd go
to the
nationals.

Next Day

달각!

Ah?!

You came Horomura-san? I'm playing internet Mahjong today.

Miyanaga-san I want to talk about what you said yesterday..

Ah! Don't worry about what I said, I don't want to make you feel bad. I'll be careful.
